GENERAL DATA PROTECTION REGULATION (GDPR) DATA HANDLING AGREEMENT

Purpose

The Cyprus Study Circle will use and hold the personal data you have supplied for the purposes of organising the running of the Study Circle, providing services to the membership and promoting the Study Circle.

Please note the following specific data handling instances:-

(a). **Members who receive printed copies of the CCP, Auction Lists etc:** For each issue our Printer stuffs the envelopes and posts them out to our members for us. To allow him to be able to do this the Study Circle provides the Printer on each occasion with the correct number of self adhesive printed address labels.

(b). **On the very odd occasion when an Auction House has a major auction sale of Cyprus material they may ask the Study Circle if they can send a copy of the auction catalogue to each of our members.** In the event that the request is agreed to, the Study Circle then provides the Auction House with a set self adhesive printed address labels which is on the understanding that they are ONLY used for the purposes that they are supplied for (ie: sending just the specific auction catalogue or catalogues if the sale comprises more than one catalogue). Please indicate whether you want to be included or not in this arrangement by ticking the appropriate box below.

I wish to be included in this arrangement.

I do not wish to be included in this arrangement.

(c). **UK members only who take the Study Circle Packet:** These members should note that their name, address and telephone number is included on the packet circulation list which each member on the list sees. This is for the express purpose of running the packet where the members are required to telephone the next member on the list before posting the packet on to them.

Period of holding the data

The Cyprus Study Circle will hold the data until instructed otherwise.

Cancellation

You can cancel this agreement at anytime and your details will be removed. To cancel this agreement please write to the Cyprus Study Circle Secretary, who's contact details are given on the inside front cover of the current Study Circle journal "Cyprus Circular Post".

Security of data

The Cyprus Study Circle will handle the data in a secure form and will not distribute to third parties other than for the purpose outlined above.

Agreement

I understand that the data provided will be used for the outlined purpose.
